Artist's Submission Guidelines

TESSERA is a privately owned gallery with a strong commitment to the Bay Area art community and therefore show only the work of local artists. We are open by appointment only and exhibitions held at TESSERA are typically viewed during invitation-only events.

We are happy to review local artists' slides and materials who reside within 100 miles of our gallery. Submitted materials will be handled with care, but TESSERA cannot assume responsibility for lost or damaged materials.

Please follow the guidelines below. NO PHONE CALLS PLEASE.
